ULang User Interface Specification

Pages:
- Welcome (/ulang)
  - Styling
    - White Background
    - Roboto font
  - Top banner
    - Purple
    - Centered logo
  - Center height page content
    - Left half column
      - Welcome message
      - "Get Started" button
        - Purple button, rounded sides
        - On click route to Sign Up page (/signup)
      - Log In button
        - Black text, white background
        - On click route to Log In page (/login)
    - Right half
      - SVG world map
    - Bottom banner
      - Circle flag pngs
        - Link to creator page
- Sign up (/signup)
  - Styling
    - Grey background
    - Roboto font
  - Top Banner
    - Purple
    - Centered logo
  - Sign Up Box
    - White background
    - Rounded corners
    - Purple outline
    - Single column
    - Large "Sign Up" heading
    - Input fields:
      - Email
      - Username
      - Password
      - Confirm Password

- Styling:
  - Grey underline
  - Grey prefilled input (e.g. Username field is prefilled with "Username")
  - On selection the underline and prefill transition to purple and the prefill translates up and shrinks
